

THE TCC VOLUNTEER EARN OUT AGREEMENT 2021/2022 SEASON

The Program & Facilities Fee (“PFF”) has been implemented by the Tuxedo Community Centre (“TCC”) to create consistent community and sports programming that encourages all community resident families to become actively involved in the operation and success of our community centre. As a volunteer driven, community-based organization, the TCC is almost entirely dependent on volunteer participation to run effectively. The **value of the PFF is \$200 per household per season**. In lieu of paying \$200 for the season, you will have a choice of roles that will allow you to have your full amount refunded or half of your amount refunded, more info can be found at the TCC website at <https://www.tuxedocc.ca> under Program & Facilities Fee section of the website.

It is each family’s OWN responsibility to...

1. Ensure that they are familiar with the details of the TCC Volunteer Earn Out Policy.
2. Ensure that they sign up for/meet their expected twenty (20) volunteer hours per family prior to the end of the season.
3. To ensure that they have logged their approved volunteer hours with the TCC via the tracking button on the volunteer earn out portion of the TCC website.
