Permission for Emergency Medical Transportation and Treatment

If, at any time, medical treatment is necessary due to a serious injury or sudden illness, I authorize the preschool to take whatever emergency measures deemed necessary for the protection of my child while in the care of the preschool facility. I give permission for my child to receive medical attention deemed necessary by my child's doctor or other medical personnel. I understand that this may involve transportation to the hospital in a private vehicle or ambulance. I understand that the preschool will make every attempt to contact me and that any expense incurred for such treatment, including ambulance fees, is my responsibility.

‘A place to learn, play and grow.’

Dear Parents and Guardians:

Tuxedo Preschool established a Facebook Instagram presence in 2015, to promote our Preschool to the surrounding community. We would like to continue to use this medium to occasionally highlight classroom events & themes throughout the year. We would like your permission to occasionally post a photo or video collection of your child and/or their work on our Facebook page.

Our guidelines are as follows:

- We will not post names, although names may show on artwork
- Group photos or videos of children will not identify individuals by name
- Tagging will not be permitted

We look forward to sharing our preschool life with you in this manner.
